

# Medicaid Plan Administration Solutions

In partnership with

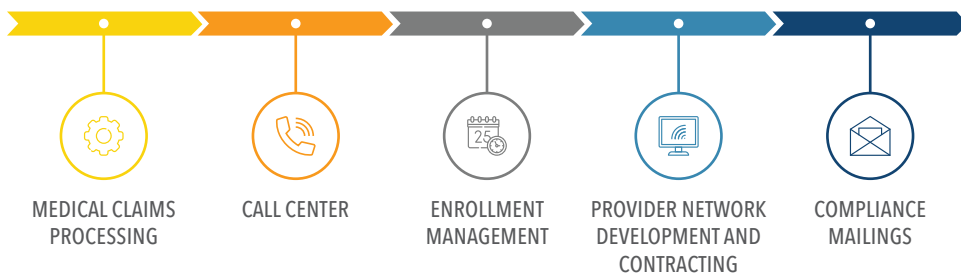

Medicaid plans are becoming increasingly complex with new mandates and benefit changes, sometimes made retroactively. VBA can provide the technology platform to serve your Medicaid population, along with our partner SCAS Management Group (SMG).

SMG is a VBA customer that offers a full range of services to handle your backroom office needs. They have 143 years of combined experience administering Medicaid plans, as well as commercial, self-funded, and Medicare plans.

## VBA and SMG: A Perfect Combination

VBA brings the technology and SMG provides the human touch. By choosing SMG as your Medicaid claims administrator, you can have confidence in knowing that your plan will be administered on VBA's secure, cloud-based technology platform.
